General Crude Leads Loop With Wise Chapel Second

General Crude Oilers continue to set the pace and lead the field in the Hamlin Softball League. Wise Chapel is in second place, and a tight scramble has developed since the size of the loop was reduced to five teams.

Good crowds continue to attend the local games, and some tighter games have developed since the size of the loop was reduced to five teams.

Last Thursday night Neinda girls defeated Wise Chapel 11-7, and in a thrilling game General Crude nosed out VFW 2 to 1, both Oiler scores coming on home runs by Weaver. Saturday night Stamford Juniors defeated Wise Chapel Juniors, 11 to 7. Against the best that Holly Motors could bring from Abilene the Hamlin All-Stars triumphed 7 to 2. The two teams play again here this Saturday night.

Monday night Neinda girls defeated Hamlin girls, 9 to 3 and General Crude triumphed over Sylvester 13 to 3. Tuesday night Stamford Scouts beat the Hamlin Scouts 9 to 1 and Wise Chapel edged over VFW 4 to 3.

Schedule for the next week follows:

Friday—Junior boys and Sylvester vs. VFW.

Monday—Wise Chapel girls vs. Hamlin girls.

Tuesday—Junior boys and celotex vs. Sylvester.

Thursday—VFW vs. Sylvester.

Navy Recruiter To Be Here Two Days Of Next Week

Chief Petty Officer E. F. Thomas from the U. S. Navy Recruiting Station in Abilene, will be in Hamlin on next Monday and Tuesday for the purpose of interviewing applicants for the regular Navy, also the USNR V-6 (inactive). Chief Thomas will be located at the postoffice building.

He said he would be glad to speak before any groups on Naval subjects and to point out the advantages to be received from an enlistment and pointed out that men over 17 no longer need consent papers.

'Hopper Poison Again Available at Anson Station

A new crop of grasshoppers has hatched out and now that pasture grasses are getting dry and short the hoppers have started moving in to the cotton fields for tender grazing. County Agent H. C. Stanley stated this week.

In order to combat the hoppers the Grasshopper Bait Mixing Station located at the Farmers Cooperative Gin in Anson will remain open on Mondays, Wednesdays and Fridays from 8:00 a. m. until 5:00 p. m., he said.

Poison being mixed is furnished by the U. S. Department of Agriculture, Bureau of Entomology and Plant Quarantine and the Jones County Commissioners Court cooperating.

There is a small charge for poison to cover freight, storage and handling. Each farmer is requested to bring his own sacks.

Local Youths To Attend Camp Leuders Meetings

Plans are being made for boys and girls from Hamlin to attend the Baptist encampments at Camp Leuders, the boys from July 21 through July 24, and the girls July 14 through July 17.

Intermediate Girls' Auxiliary and Young Woman's Auxiliary members will hold their encampment beginning next Monday. Every girl of intermediate or young people's age in Hamlin who would like to attend is urged to contact the office of the First Baptist Church. It is not necessary for Baptists. If there is one who wishes to attend but does not feel financially able, you are invited to list your name at the office and the church will sponsor the girl or boy. Wonderful training will be received under the leadership of several outstanding workers. Mrs. I. R. Hutchinson will be the local sponsor.

Bonnie Smith and Rev. Bill Cravens will accompany the boys. This group includes boys from juniors through 16 years of age. The boys are invited to go even though they may not be able to pay the expenses. Be sure and leave your name at the church office soon if you plan to attend.

Mrs. Lydia Miller and Bennis Doris Wilkerson spent the week-end in Knox City visiting Mrs. John Roberts and family and Mr. and Mrs. Eldon Leake.

Mrs. Chris Oster of Loving is visiting her daughter-in-law, Mrs. Evelyn Wilkerson and children here and her daughter, Mrs. Mary Vaughn and family of Hawley. Mrs. Oster will be remembered in Hamlin as the former Annie Wilkerson.

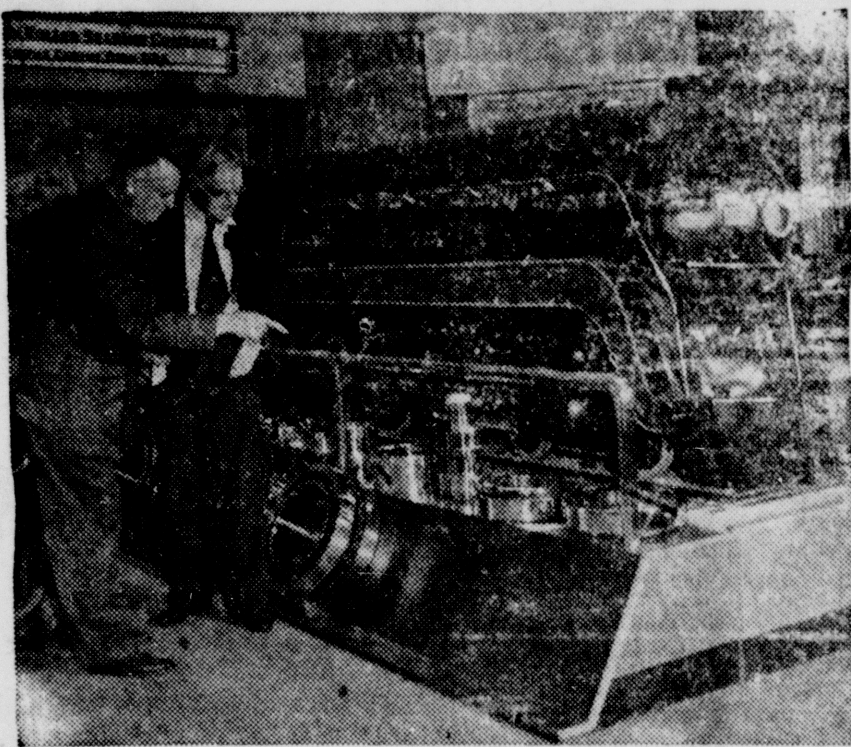

Mrs. Joe Simpson and daughters and Mrs. Lott Shell and children spent Wednesday and Thursday at Georgetown with relatives.

Mr. and Mrs. J. L. Johnson and son, J. L. Jr. and Mr. and Mrs. Jim Johnson of Dallas attended the Cowboy Reunion and spent the week-end with Mr. and Mrs. H. A. McWright.

H. O. Cassle Jr. of Odessa spent the Fourth with his parents here. Mrs. Cassle is visiting her family at Youngstown, Oklahoma for a few weeks.

Wilda Jean spent her vacation with her parents, Mr. and Mrs. Morris Jean. She is employed at a Rotan hospital.

Model Locomotive Tours U. S.

Guaranteed to attract the eyes of model train builders the world over, is this \$50,000, quarter-size model of a modern type 4-8-4 Timken Roller Bearing equipped steam locomotive.

The locomotive model was built, not as a toy, but rather as a graphic presentation of the rapid strides made in the railway applications of roller bearings.

Shown examining the model and the regular bearings used in full-sized locomotives, pictured along the sides of the exhibit, are Walter C. Sanders, left, General Manager, Railway Division, of the Timken Roller Bearing Company, and Lawford H. Fry, Director of the Steam Locomotive Research Institute.

Cotton and Some Grain Show Price Decline Over Previous Week

Cotton and some grains dropped sharply last week, and easy spots appeared in livestock and vegetables, according to report received by The Herald from the production and Marketing Administration of the U. S. Department of Agriculture. Other Southwest products sold steady to strong.

Volume movement of the new crop, uncutured recently ballooning sorghum markets, and prices collapsed to levels 70 to 80 cents per hundred pounds, lower last week. Quotation at Fort Worth and Galveston Thursday stood at \$2.61 for No. 2 milo. White corn gained 22 cents to reach \$2.83 per bushel, and yellow corn dropped six cents to sell at \$2.29. Other grains changed very little from a week earlier.

Rains delayed prairie hay harvest in the Southwest and damaged alfalfa in the Central West. Peanut markets saw light trading, but new crop prospects continue good. Oilseed meals climbed higher, but millfeeds dropped, and other feeds remained fairly steady. Good to ample 12-months Texas wools sold at 47 to 55 cents per pound.

Spot cotton markets quoted \$2.50 to \$2.75 per bale lower prices last week. A little more activity left trading still on a small scale. High and medium grade cotton continued in demand. Most cotton areas enjoyed favorable growing conditions.

Eggs held firm last week, and even advanced slightly in some areas. Better qualities found especially good demand. Current receipts brought mostly 37 1/2 to 38 cents per dozen at Fort Worth, 39 to 40 cents at Denver, and 38 1/2 cents with rots candled out at Dallas. High quality graded eggs sold quite a bit higher. Poultry held steady.

Most cattle sold about steady last week, but Oklahoma City paid 25 to 50 cents higher prices, while cows and bulls went lower. Houston, as did calves, but low grade cows and heifers at Denver. Common to medium cows bulked at around \$12 to \$15 at most places, and canner to cutter grades \$8 to \$12. Common to medium stocker steers and yearlings brought \$13 to \$16 at Houston, while medium and good kinds moved at \$16 to \$20 at Fort Worth and \$16.50 to \$18.50 at Wichita.

Enjoy Fish Fry

On July 4th, Rev. Tate Reddin, Morris Jean and sons, Hack Phillips, Edwin Hill and Sammy Terrell of Odessa, went fishing and brought back 50 pounds of fish. That night, together with a number of other friends they enjoyed a fish fry.

Lester Scott Hurt Badly At Celotex

Lester Scott, an employee of the Celotex Corporation, was seriously injured while at work at the "gyp" mill southwest of town last Wednesday afternoon. In some manner, his right arm was caught by a conveyor belt and badly crushed in some rollers. He was rushed to a hospital in Rotan where it was found his arm had been pulled out of place and broken just below the shoulder joint. Physicians had a hard time stopping the flow of blood and it was necessary for him to have several transfusions. At first, it was thought he would lose the arm, but later doctors said it could be saved. According to latest reports, Scott is doing about as well as could be expected.

SS Representative Coming to Stamford

E. Glen McNatt, a representative of the Social Security Administration, will be at the Texas Employment Service office in Stamford, on Thursday of next week July 17, at 11:00 o'clock a. m.

All persons wishing to file retirement or death claims under the Social Security Act should call or see the representative at that time.

Anyone wishing to see Mr. McNatt is requested to call promptly at 11:00 o'clock a. m., as he will remain at the office for only a short time.

Mr. and Mrs. Joe B. Miller and Mr. and Mrs. A. G. Miller had as their guests this week Mrs. L. B. Kinman and children, Meldean and Jimmy of Big Springs. Mrs. Kinman is a niece of Joe Miller.

Mr. and Mrs. Joe Smith of Knox City visited Mr. and Mrs. Jude Smith last Friday.

Mrs. Jim Dickey left Thursday for several weeks visit with her son and daughter in California.

Mr. and Mrs. B. L. Pitcock of San Antonio were here during the Fourth of July holidays visiting his parents, Mr. and Mrs. J. S. Pitcock. It was his first visit home since receiving his Army discharge early this year.

Mr. and Mrs. Harry W. Pitzer of Chickasha, Oklahoma spent the Fourth holidays with her parents, Mr. and Mrs. H. O. Cassle.

John Walker has gone to California for a visit with relatives.

Mr. and Mrs. Jack Johnson and children of Borger visited Mrs. Etta Stephenson last Saturday.

Mr. and Mrs. W. J. Carpenter of Sherman visited his brother, Mr. and Mrs. Fred Carpenter, here during the week-end.

Many Subscribers Renew to "Beat" August 1 Limit

Many readers of The Hamlin Herald have renewed their subscriptions during the past week and several new readers have been added to our growing list, following the announcement last week that effective August 1 the subscription rate would be \$2. per year in Jones, Fisher, Haskell and Stonevall Counties. Elsewhere the price has been raised to \$2.50 per year.

Subscribers may renew at the old rate of \$1.50 in the above four counties and \$2. elsewhere until the August 1 deadline. Renewals will be accepted in advance for a period not to exceed three years.

If you are not a subscriber at present, look over the sample copy received this week. New subscriptions will be received at the \$1.50 to \$2. rates also, until August 1, publishers stated this week.

The Herald is one of the last papers in this area to hike the subscription price, but increased costs of the newsprint, ink, labor and all other material and equipment used in the manufacture of a newspaper caused publishers to take the step. Newsprint for instance, has increased over 200 per cent in price.

Agent Warns Farms Of Cotton Insects

Cotton insects are in for their share of this year's cotton crop according to County Agricultural Agent H. C. Stanley. Especially the cotton flea hopper and boll weevil. Insect infestation counts have been made in various locations in the county and cotton flea hoppers are doing most of the damage at this time, but the boll weevil is present and will bear watching.

Alford Mayfield, progressive farmer in the Union community, is dusting his cotton with a five per cent D. D. T. and 75 per cent sulphur mixture at the rate of 10 to 15 pounds per acre for cotton flea hoppers. Alford says that he has been dusting his cotton for several years now and finds that it is a paying proposition. Other farmers dusting cotton for flea hoppers are Jack Parks, Union community, Vernon Mayfield, of Wise Chapel community and Cochran, of Lueders community.

Mr. and Mrs. J. B. Martin of Longview returned to their home last week after a visit with their parents, Mr. and Mrs. Virgil Steele and Mr. and Mrs. Sim Martin of Celotex. Miss Sarah Steele accompanied them home for a visit and will also visit here aunt, Mrs. S. G. Carruth, at Port Arthur before returning home.

Mr. and Mrs. Gene Beane and son, Gene, visited her parents, Mr. and Mrs. W. C. Elkins and his parents. Mr. and Mrs. Herman Treadwell and Mrs. J. Ubben are on a vacation trip to Dallas, Corpus Christi and other points in south Texas.

Dr. Tom West of Abilene was a week-end guest in the home of Mr. and Mrs. H. A. Johnson.

Arthur S. Brinkley Jr. of Richmond, Virginia has been here for the past two weeks as a guest of his cousin, Mr. and Mrs. C. P. Yates.

Mr. and Mrs. Ous Tabors of Miami, Arizona and Mr. and Mrs. Ira Bouldin of Globe, Arizona, left for their homes Monday after a visit here with their sister, Rev. and Mrs. Sam King. The group spent Sunday with another brother, J. R. Bouldin and family of Maryneal.

Mr. and Mrs. Eldon Jackson and three children and Mrs. Velma Jackson of Vernon visited in the home of Mr. and Mrs. Delma Shelburne last Wednesday and Thursday. They also visited in the home of Mr. and Mrs. Lesley Shelburne while here.

Rev. and Mrs. B. J. Martin and son, Johnny Ed of Mallinger spent the Fourth here with Mr. and Mrs. W. C. Russell and other friends.

To Pastor First Baptist While Osteen Is Away

Rev. Bill Cravens

Rev. Bill Cravens has assumed his duties at the First Baptist Church as supply pastor while Rev. John H. Osteen is attending the World Congress in Copenhagen.

He attended Northwestern Theological Seminary, where he was granted Th. B. degree and received his B. A. degree at Hardin-Simmons University in Abilene this June, following four years of study.

He was formerly pastor of a church at Battle Lake, Minnesota and Hebron, Texas. And while attending Hardin-Simmons University he has served as supply pastor at several churches in this section, including the Haskell church for two months.

He debated for ISU for two years, was president of the sophomore class of 1944, member of Who's Who among students in American Colleges and Universities and a member of the Mission Band and Baptist Student Union.

At Hospital Opening.

Mr. and Mrs. Bowen Pope attended the opening of the new \$65,000 Sadler Hospital-Clinic in Merkel on Sunday afternoon. The hospital belongs to Dr. Sadler, and provides 17 rooms for patients. Mr. Pope said that Dr. Sadler received wonderful support from the people of that area. He reported that the road from Merkel to Noodle had been graded and later would be blacktopped. Part of the road from Boyd Chapel to Hamlin Lake will be improved in the future, he said and eventually people of eastern Fisher and western Jones will have an outlet to the south.

Mrs. Loren Griffen and children, Phil and Barbara, of Wichita Falls are here for a visit with her parents, Mr. and Mrs. Tom Teague. Mr. Griffen is in Newark, New Jersey on business.

Lt. and Mrs. W. H. Pickron Jr. of St. Joseph, Louisiana visited his parents, Mr. and Mrs. W. H. Pickron and her parents, Mr. and Mrs. George Darden, during the week-end.

Mr. and Mrs. Bonnie Kay and children, Peggy and Wiley of Brownfield and Fredia Mae Grant of Sherman spent Friday night with her mother, Mrs. J. H. Burkett and the Donald Bryants.

Miss Agnes Morton, who has been teaching at Skellytown, is home for the summer with her parents, Mr. and Mrs. J. H. Morton.

Misses Verna Mae Colwell, Jo Hargrove, Shirley Baggett, Inez Baggett and Edith Ann Scott, all of TSCW at Deaton were home for the Fourth holidays.

Mrs. L. P. Cozzen left Monday after a two week visit with her daughter, Mrs. H. M. Hooper.

Mrs. W. B. Teague, who has been visiting in Globe, Arizona for the past several weeks, visited here early this week. She was enroute to her home at Austin.

Campionship Tilts to Start Here This Friday

Locals Hope To Win 2 In Row

Coach L. B. (Red) Howard's Hamlin High School Pled Pipers took the first half of the District 13-A baseball league on July 4, walloping the Trent nine 18 to 5 in the Tyler County lads' own back yard. The Pipers had previously beat Trent here on Tuesday 11 to 6 in the opening encounter of the series to decide the first-half winners. Fans who saw the game said the Pipers took early in the game leading 10-2 at the end of the second inning and never left much doubt in anyone's mind about the outcome.

The "chips will be down" Friday afternoon at 3:00 o'clock p. m. when the two teams cross bats again for the first three-game series to decide the league championship for 1947. According to Coach Howard officials from Abilene will call the game and fans can expect a good contest. The game will be played at Hamlin City Park and the second game will be at Trent.

First game of the series was to have been played Tuesday of this week, but due to illness of a Trent player, it was postponed. Local players and fans are confident that they will take the first championship of the new league during this next week. Hamlin people are urged to come out Friday and back the boys as they enter the home stretch.

On Tuesday night Hamlin's nine trounced the Plainview team 6 to 1 on the Plainview field.

Next Tuesday night the local team will encounter Stamford on the local diamond. Everyone is invited to attend the first home game and to boost the youngsters.

Baptist Softball Team Beats Abilene University Church

First Baptist Church softball team defeated the University Baptist Church of Abilene in a game played at the Plainview diamond last Friday night, 13 to 7.

Manager Bonnie Smith is optimistic about his team and is anxious to match other games with other teams from other local churches or with those from out-of-town.

Aubrey Altum is captain of the local team.

Sunday Guests.

Mr. and Mrs. L. E. Hines of Celotex had as their guests Sunday: Mr. and Mrs. W. A. Daniel and children, James, Buddy, Benny and Patsy of Eunice, New Mexico; Mr. and Mrs. Voshel Ewing and Don of Rotan; and Mr. and Mrs. Albert Chandler and Helen of Hamlin.

Mr. and Mrs. Leslie Sparks and children, Robbie and Mary of Mathis are here visiting this week with her aunt, Mrs. S. D. McMahon.

Mrs. Mable Bristow and sons, Wayne and Dudley of Muleshoe are here visiting her parents, Rev. and Mrs. Sam King.

Mr. and Mrs. Monroe Hopkins and his mother of Austin visited Mrs. Viola Hendon and family at McCaulley July 4th.

Blessed Events

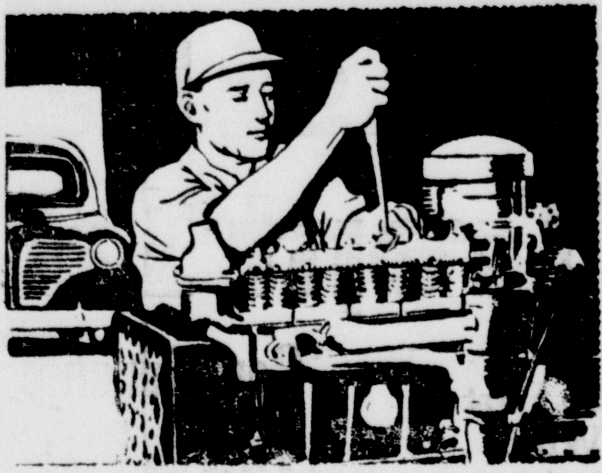

Mr. and Mrs. H. D. Burton are the parents of a daughter, Martha DeLaine, born July 2 at Callan Hospital in Rotan. The little lady weighed eight pounds, and 12 ounces.

BOYCE HOUSE— "Gives You Texas"

In Hot Springs just a few days ago (my second visit in three months) your columnist had the honor of speaking to the annual Banquet of the Arkansas Press Association, and of course related a number of Texah stories. Afterwards, among those who came

up was a man who said:
a man who said:

"I want to tell you a Texas story. I was in Java during the recent war. It was in the early days and the outfit had been pretty badly shot up. It contained a good many Texans. The Japs completely dominated the air. One of the Texas boys said, 'Why don't the rest of the United States send us a few planes so we Texans can lick these Japs?'"

The man who related the incident was Dr. Wassell—yes, the heroic physician who was praised by President Roosevelt in a speech heard all over the world for refusing to abandon a group of American wounded but, against almost impossible obstacles, got through the jungle, eluding the Japanese forces and saving the patients. Dr. Wassell's life was made the subject of a great motion picture starring Gary Cooper.

Texans are everywhere in Hot Springs. When I entered a cafe the juke box was playing "Across the Alley from the Alamo." On a wall was a sign, "Chili, mild, medium and hot." A man said, "Chili, and make it hot; I'm from Texas." And as the bus pulled out of Hot Springs, enroute to Arkadelphia to make connection with the train back to the Lone Star State, 15 passengers began singing "The Eyes of Texas Are Upon You"—they were high school students from this state who had been attending a Junior Red Cross encampment.

Billions Spent To Train War Veterans

In a news release from the VA this week Hamlin area folks are advised that more than a amount of \$2,500,000,000 has been spent to provide education and on-the-job training for veterans of World War II.

This was revealed today when VA reported cumulative expenditures of \$2,283,000,000 by May 1 for education and training under the Servicemans' Readjustment Act and the Vocational Rehabilitation Act.

Mrs. Rudolph Hash and two sons, and R. M. Hash of Sherman and Mrs. Soucy of Nashua, New Hampshire spent several days last week with Mr. and Mrs. Ray Moss in the Plainview community.

Shipments Of Livestock In Texas At Increase

Increased livestock shipments in Texas and the Hamlin area during May resulted from heavy runs of sheep and calves to market, causing farm cash income in sheep producing areas of the state to soar, according to the University of Texas Bureau of Business Research.

Shipments saw a six per cent April-to-May advance and rose three per cent above their May 1946 levels. The May total reached 12,403 carloads.

Cattle shipments slumped 13 per cent during the month but stood at eight per cent above May 1946 figure, and hog shipments dipped 12 per cent below April shipments but remained 23 per cent better than in May last year.

On the other hand shipments of sheep were almost five times greater than in April, totaling 2,258 carloads during the month compared to 488 marked up in the previous month. Compared with May 1946, however, sheep shipments were 15 per cent lower. Shipments of calves, also reporting an April-to-May advance, rose 33 per cent but failed by four per cent to come up to the May 1946 mark.

Intrastate shipments (plus Fort Worth) jumped five per cent from April to May.

Intrastate shipments, less Fort Worth) increased by 14 per cent in May. Most significant intrastate change was the jump from 10 carloads of sheep in April to 61 in May.

Attend Funeral.

Dr. and Mrs. Don Gould attended the funeral of her grandfather, S. T. Roberts, of Stamford last Friday, July 4. Mr. Roberts was a retired railroad man.

Jeannine Johnston of HSU in Abilene and Herbie Faye Johnston of Dallas visited her parents, Mr. and Mrs. H. A. Johnston, during the week-end.

'Tween Me and my Typewriter

by Jeanette Bryant

It was a glorious Fourth with the usual picnics and outings. The flies and ants were there to share in the fun and food. Fireworks were in evidence for the first time since the war. And we can't say we enjoyed that part of it. That is one war-time shortage that most everyone welcomed. Guess we're getting old. Why not let the youngsters have their fun?

The colorful array of real cow-

boys and cowgirls at the Cowboy Reunion and Rodeo was something to write home about for us. In our wildest imagination, we never pictured so very many honest-to-goodness cowpunchers. But we still think a person who will attempt to drive one of those wild Brahmas must be just a little light-headed. At times, we feared the rider would emerge headless.

While on the subject of the rodeo, we take off our hat to Hamlin's representative, Miss Jessie Myers, who placed third in the cowgirl contest. We should take great pride in that Miss Myers still claims Hamlin her home, although her family lives in Abilene.

Several days ago, the title of a book caught our eye in the book shop window. "Growing Old Dis-

gracefully" was the name. Personally, we don't think we need to read it.

We have witnessed two minor wrecks near our place of business within the past week, with U-turners being involved in both mishaps. We have seen the Rotan and Stamford highways both blocked while local residents calmly make a U-turn. 'Nuff said!

Vacationists are fast taking to the highways. Something related to plain envy fills us, until we stop and think just how hot those trips can be, and then we relax, take on new spark and go to work, contented to remain here and keep the home fires "burning".

Makes no difference if we are out-of-style, we contend that the longer skirts are not very flattering to our beanpole figure. The bustle type frock doesn't complement a lot of us women either.

We haven't yet seen any of the silver discs that are supposed to be in the air in parts of these United States. We would suggest that those who have seen those flying objects take a good dose of quinine or maybe sulphur and molasses would do the trick. We have seen

spots before our eyes many times on a sunshiny day, too.

Rev. and Mrs. John H. Osteen and Mrs. J. W. Ezell are off to the Baptist World Congress in Copenhagen. They drove to New York, where they will sail for Europe on the Queen Elizabeth. Mrs. Ezell will visit a niece in London, England also. Betcha they will have lots to talk about when they get home. By the way, Jean Osteen will write those articles for The Herald. Don't forget to watch for them soon.

Our five-year-old niece, who lives in Sherman, has been visiting her grandmother near Brownfield. Thoroughly enjoying farm life, she had been scratching the crusty dirt away from the beans coming up every time she paid a visit to the garden spot. While a sandstorm was brewing, she paid her daily visit to the vegetables, and kneeling down, she pointed her finger at the bean peeping from the soil, and advised, "You better stay in there, a sand storm is coming."

If you don't care for such stories about our kinsfolks, you had better give us some better ideas for this column. We welcome your suggestions. Might even let you conduct the writing for a week or so, if you care to try it. You would be a sympathetic reader, at least.

AUTOMATIC FLOOR FURNACE

Gas floor furnaces with automatic controls are miracle workers when it is cold and wet outdoors. When the weather demands — just the right amount of warmed air automatically flows from the space-saving floor grille to every nook and corner of the room.

This gentle, even warmth means no frigid floors, no chilly corners, no cold feet in a floor furnace warmed house. Properly installed throughout the house, each room is given its individual, controlled warmth.

Gas is burned in a sealed chamber that is vented to a flue. Venting eliminates wall sweating and stuffy air and assures you of the safety and savings enjoyed only with vented heating appliances. Floor furnace installations during summer are prompt and more convenient. Select Flue-Vented Floor Furnaces with automatic controls.

See Your Gas Appliance Dealer or Lone Star Gas Company

Nothing adds more to the comfort, health and modernity of your home than good heating. Whether you are building or modernizing, plan for flue-vented gas heat. Flexibility and compactness of the illustrated appliances make one of them ideally suited to your home heating needs.

Siebels-Watson Wedding Vows Read at Campbell Church

Wedding of Miss Olga Siebels, daughter of Mr. and Mrs. Harold Siebels of Kiverton and Wynell Watson, son of Mr. and Mrs. C. E. Watson of Hamlin was solemnized at 5:00 p. m. Thursday afternoon,

June 26 at Trinity Lutheran Church in Campbell.

Two floor baskets of peach and white gladioluses and fern provided an altar arrangement before which Rev. M. W. Tiemann officiated at the double ring ceremony in the presence of 75 guests. Miss Elaine Bartels played the prelude and the traditional wedding marches. Miss Loretta Thurman sang, "Because" and "I Love You Truly" preceding the ceremony.

Given in marriage by her father, the bride wore a lustrous white slip-

per satin gown, with a gathered skirt on a fitted band. Seed pearl embroidery in the grape and vine pattern traced the high neckline and armholes of the bodice. The dolman sleeves tapered from great fullness on the upper arm to a tight wrist ending in the traditional point. Her full skirt swept into an aisle-wide train. Her finger tip veil rayon net edged in chantilly rayon lace was held in place by a beaded coronet halo. She carried a crescent shape bouquet of white carnations and pink roses tied with a broadcated ribbon.

Mrs. Ben Brown of Hastings, who attended her sister as matron of honor, wore a gown of blue net over taffeta and carried a bouquet of pink carnations. She wore a band of matching flowers in her hair.

Mrs. Robert Norris of Hastings acted as bridesmaid for her sister, and wore a pink gown fashioned all over with lace bodice with net over taffeta skirt. Her bouquet was of pink carnations with blue showers, and wore matching flowers in her hair.

Ronald Brown, nephew of the bride, dressed in white, carried the ring on a white heart-shaped pillow. The groom was attended by Ben Brown as best man and Robert Morris as head usher. Paul Meyer and Edwin Hundt served as ushers.

Mrs. Siebels, mother of the bride, wore a street length dress of black crepe with black accessories. Her corsage was of white carnations.

Following the ceremony, a recep-

tion was held in the auditorium in Campbell for about 70 relatives and friends. The auditorium was decorated in pink and white streamers and summer flowers.

A three-tiered wedding cake centered the lace-covered refreshment table. The cake was baked and decorated by the bride's mother. Aunts and cousins of the bride served a two course dinner to the guests.

For traveling, the bride chose a two-piece gray suit with a white flower hat and red accessories. She wore a corsage of red roses.

The bride was a graduate from Campbell High School and for the past three and one-half years has been employed at the Hastings Naval Ammunition Depot.

The groom was graduated from Troy High School and served in the Army Air Corps for four years. He recently received his flight instruction rating at a Dallas Aviation School.

Seven Hamlin Persons At HSU For Summer Term

Seven persons from Hamlin are enrolled in summer school at Hardin-Simmons University, according to Mrs. J. A. Beard, university registrar. They will finish their first six weeks term on Friday, July 11 and the second six weeks will start on the following day.

Local students attending are Bertie Agnew, Alfred C. Altum, Duane Brown, John S. Cole, Jack Ellison, Harold Fletcher and Jean nine Johnston.

Ellison, a regular first string guard on the undefeated untied Cowboy gridiron combination, is to serve as captain of next year's football squad.

These seven students from Hamlin are among the 1,095 persons registered, a record enrollment for Hardin-Simmons summer school. This figure is exceeded only by the fall and winter semesters of 1946-47.

Those enrolled from Sylvester are William Carlton Brewer, sophomore, son of Mr. and Mrs. E. L. Brawer; William G. Combett, sophomore, son of Mrs. M. W. Combett; Eldon A. Pursley, sophomore, son of Mr. and Mrs. A. W. Pursley and Thomas Baylis, sophomore.

Gleaners Class Has Party In Park

Gleaners Class of the First Baptist Sunday School enjoyed a picnic at City Park Tuesday night, with Mrs. R. L. Maynard and Mrs. LaRoy Stubbs as co-hostesses.

Refreshment course of sandwiches potato salad, potato chips, pickles and iced tea was served to the following: Mr. and Mrs. Teddy Russell, Mr. and Mrs. Fred B. Moore Jr. and Barry, Mr. and Mrs. Paul Gentry, Mr. and Mrs. Marvin Carlton, Mr. and Mrs. Vernon Shearer, Mrs. Roy Mauldin, Mr. and Mrs. Bill Shira, Mr. and Mrs. Stubbs and Sammy, Mr. and Mrs. R. L. Maynard and Marilyn and as guests of the class, Mr. and Mrs. Marvin T. York Jr. of Dallas.

Fomby-Books Wedding Read In Abilene

Mrs. Ione (Cricket) Fomby became the bride of Morris Books in a simple ceremony read at 6:30 p. m. Wednesday night, July 2 at the Emmanuel Baptist Church with the pastor officiating.

The bride wore a black crepe dress with white accessories, and a gardenia.

Following the wedding trip to Ruidoso, New Mexico, and San Antonio and Mexico Mr. and Mrs. Books will be at home in Hamlin.

Ouita Lain and Roy L. Buie to Wed Here July 20

Mr. and Mrs. J. C. Lain of near Anson have announced the engagement and approaching marriage of their daughter, Ouita Lain to Roy L. Buie of Fort Worth. The wedding date has been set for July 20 at 8:00 a. m. at the Hamlin First Baptist Church with Rev. H. M. Chambers of Anson officiating.

Miss Lain, granddaughter of Mr. and Mrs. J. H. Morton of here, is a graduate of North Texas State College at Denton, and taught in Midland and Fort Worth. Mr. Buie served with the Army Air Corps several years, and is attending the North Texas Agricultural College in Arlington.

Lester Morton, uncle of the bride-to-be, will sing preceding the ceremony, and Mrs. Morton will accompany her husband at the piano.

HSU Student Organist Here Crowned Queen

Wanda Karnes, coed from Longview, has been named queen for the Hardin-Simmons summer school.

Miss Karnes, who has played the new organ at the local First Baptist Church several times recently, has many friends in Hamlin. She will be guest organist here again next Sunday.

She was chosen this week by her fellow students as the charm girl of the campus. She was selected from a group of six girls who were nominally of more than 100 votes over named by petition. She had a plusher nearest opponent.

Miss Karnes will be crowned as queen in a Fairyland coronation theme Friday night. Ten princesses will attend Miss Karnes, each of them representing the legends of some sections of the country.

Included in the elaborate scenery for the coronation will be living statues and human torches.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Representative Burleson Fights Proposed Bill to Hike Postal Rates

Representative Omar Burleson of Anson is worried and rightly so about the increased burden that additional postage rates will put on the rural people of his section.

"After all, these people not only

have to use mails for necessities some times," he says. Some people do not realize that there is still a sizeable mail order business done in this country."

Burleson is notifying his constituents of some of the features of the bill reported out to the House in Washington last week by Representative Edward H. Rees of Kansas, chairman of the house post office and civil service committee.

The bill was the result of a steady asked by President Truman to meet the largest postal deficit in history, -492,000,000.

By extending the three-cent local and non-local rates for first class mail beyond the July 1, when it was supposed to revert to two cents, \$188,000,000 of the deficit can be met. This leaves the post office department in the hole by \$300,000,000.

By instruction from the president post office department officials recommended rate increases which would increase revenue by \$173,000,000 and testified that rates to raise the entire deficit of \$300,000,000 would result in undue hardship.

Rees stated that the committee's bill would bring about "moderate" rate increases and raise revenue by over \$100,000,000.

There will be no change in present rates for post and postal cards, publications of religious, fraternal or scientific organizations or library books.

Air mail will be increased from five to six cents which will bring in \$11,000,000 more.

There is no change in postal charges for newspapers and periodicals sent through the mail within the county of publication. Outside the county, the increase in the zone rates which relate only to the advertising content plus a slight increase of one-half cent a pound on the reading portion. The piece rates and advertising surcharges recommended by the department have been eliminated.

On third class mail increases on bulk mail will be two cents per pound.

Special delivery will be increased from 13 cents to 15 cents.

Synthetic Foods Not to Replace Good Cooking

Fried chicken and apple pie are here to stay.

Vitamin pills, mineral extracts and other forms of concentrated food capsules will probably never replace the present more conventional human diet, according to Dr. R. C. Goodwin, Arts and Sciences dean of chemistry department head at the Texas Technological College and he gave numerous reasons to substantiate his theory.

In the first place, science has not yet learned to manufacture all of man's complex food needs synthetically, and probably never will. Even if this were possible, the synthetics would probably be too expensive to be very practical. Also, man's stomach could not function efficiently on a diet of thimble-sized pills—it needs to be literally full before the digestive juices will flow.

Now if successive generations of man should choose to live exclusively on these concentrated capsules—if they were available—and finish filling their stomachs with hay to start the digestive process, the possibility exists that in a 1,000 years a man might evolve with a very small stomach capsule of handling the food pellets alone.

But meanwhile, little girls had best go right on learning to cook. It isn't very likely that men will pass up beefsteaks and french fries in favor of fodder.

So, professor, please pass the strawberries.

James I. Steed, ACMM of the U. S. Navy and Mrs. Steed and son, Harry Robert, of Atlantic City, New Jersey are here for a two-week visit with his parents, Mr. and Mrs. J. I. Steed and daughters.

Mr. and Mrs. Ben Wilcox and Mr. and Mrs. A. G. Anderson left Monday for a vacation trip to points in Colorado.

Mr. and Mrs. W. J. Day of Dallas visited her mother, Mrs. W. B. Elkins and sister, Mrs. Gene Eaton, several days last week.

Mr. and Mrs. Ralph Gardner of Dallas visited his brothers, Harry and Ed Gardner, here during the week-end.

News Briefs From Fisher County

Ground breaking ceremonies for the Fisher County Memorial Hospital at Roby were held Monday morning. Construction started immediately after the ceremony.

Emmalee Stuart represented Roby at the Texas Cowboy Reunion. Fisher County 4-H girls encampment will be held at Lake Sweetwater. W. D. Neexes, of Roby was reelected county chairman for the Fisher County Red Cross chapter at a meeting last week. S. Lee Hall also of Roby is vice-chairman; H. L. Davis of Rotan is secretary; Joe L. McComb, also of Rotan is treasurer; George W. Riley of Rotan is home service chairman and H. C. Shelton of Rotan is home service secretary.

Fisher towns and communities gave a total of \$501.10 to the Cancer Control drive. 1947 football prospects for Rotan are believed the best in years. New uniforms and other equipment has arrived. Highland Home church was the site of a Youth Rally—Saturday night. A light plane, piloted by two Hamlin pilots, nosed over while attempting a night landing at Rotan.

Hamlin Woman's Mother Dies At Stamford Sunday

Mrs. Sophronia Ann Eoff, 69, the mother of Mrs. J. E. Johnson of Hamlin, died at a hospital in Stamford Sunday. Funeral services were held Monday afternoon at the Anson Baptist Church with Rev. H. Chambers officiating.

Burial was in Bethel Cemetery at Funston. Mrs. Eoff was born in LaGrange, Georgia and moved to Bell County in 1886. Coming to Anson in 1891, she was married to Aaron Eoff in 1895.

She is survived by one son, G. H. Eoff of Anson, two daughters, Mrs. J. E. Johnson, Hamlin, and Mrs. Joe Abbott of Pampa; five sisters and

three brothers, 15 grandchildren and three great grandchildren.

Mr. and Mrs. C. H. Sim of Rule visited her mother, father, Mr. and Mrs. J. G. S. there on Tuesday.

Thomas C. Stephens Given Promotion At Japan Base

Announcement was made this week of the promotion to corporal of Thomas C. Stephens, son of Mrs. George Wainscott, Route 1, Hamlin, made recently at Itazuke Army Air Base by Colonel Travis M. Heth- ington, commanding officer of the 315th Composite Wing.

Corporal Stephens attended the Rotan High School, prior to his enlistment in the military service at Fort Sam Houston. Receiving his military training at the Military Training Center, San Antonio, he remained on duty in the United States until his departure for over- seas service in November 1946.

Arriving in Japan on November 22, 1946, following a sea voyage on board the U. S. Admiral H. T. Mayo, Corporal Stephens was assigned to the Fifth Air Force, the Occupation- al Air Force for Japan and Korea and was subsequently reassigned to the Headquarters and Headquarters Squadron at Itazuke Army Air Base on the southernmost Japanese home island of Kyushu. Corporal Steph- ens is currently assigned as a file clerk with the Training and Opera- tions Section of the 315th Composite Wing.

Important Date Set for Veterans

There's a date mighty important to Hamlin World War II veterans the Hamlin area who are part of 1,400,000 of the veterans living in as Louisiana and Mississippi. For it's August 1.

Most veterans who have let their GI insurance policies lapse have until August 1 to reinstate their policies under present liberal regula- tions.

Until the August 1 dead-line, a physical examination is not required in most cases. The veteran has only to sign a statement that his health is as good as it was when the policy lapsed. Payment of only two monthly premiums is necessary to restore the GI insurance in full force.

Since civic groups began cooper- ating with VA early in February in urging veterans to reinstate their in- surance, more than 46,000 World War II veterans both men and women in Texas, Louisiana and Miss- issippi have reinstated approximat- ly \$350,000,000 worth of insurance.

Necessary reinstatement forms can be obtained from the nearest VA office or from service organiza- tions.

Attend Funeral.

Mrs. H. M. Hooper, Mrs. E. P. Hamlin and Mrs. L. P. Cozzon at- tended the funeral of Rev. Johnson at Goree last Thursday. Rev. John- son was a former pastor of the Mc- Caulley Methodist Church.

Mr. and Mrs. Raymon Elkins and children of Dallas visited his moth- er, Mrs. W. B. Elkins and Mrs. Gene Eaton, and her sister, Mrs. Earl Brown, here several days this week. He is planning to enroll at Texas Tech in Lubbock.

Bertie Agnew of Hardin-Simmons University visited her mother, Mrs. Dora Agnew, during the week-end.

Scientific Datum.

It was at Mount Wilson observa- tory. A distinguished scientist was scanning the heavens through the huge telescope. Intent upon the sight, he remarked to his colleagues without turning around: "It's go- ing to rain."

"What makes you think so?" in- quired one of his fellow scientists.

"Because," said the scientist, still peering at the heavens, "my corns hurt."

*WHO WILL RUN THE NATION'S LARGEST BUSINESSES IN 1974?

YOUNG MEN back from war wonder about the country's future and their own future. What will they be doing 27 years from now?

The 143 top men who manage 50 of the nation's largest businesses can help answer that one.

Twenty-seven years ago, most of them came back from a war, too.

All of them, after the war or before, began their business careers at the bottom.

One started work for \$1.50 a week—11 others for less than \$5 a week. 43 others started work for less than \$10 a week.

Eighty-one others received between \$10 and \$25 a week. Only 7 received more than \$25—the highest getting paid \$69.23 a week.

The average first wage of all 143 was \$13.40 a week.

Who will manage the nation's largest businesses in 1974? Exactly the same kind of men.

Then, as now, they will be leaders with courage, am- bition and initiative enough to come up the business ladder, rung by rung.

Neither the men and women in industry nor the money in industry can be effective without good management. Nothing else is so important to the workers' welfare, the investors' welfare, or the public welfare.

No Car Designed Before the War Can Even Compete with the Ride You Get in a KAISER or a FRAZER

You be the judge! You have ridden in a lot of cars and you know how they ride. Now, get in a KAISER or a FRAZER and compare the ride! You're in for a pleasant surprise. For all your present stan- dards of riding quality will become obsolete before you have gone a mile! You will agree that no car designed before the war can even compete with the KAISER or the FRAZER—for there never was a ride like this! You drift over rough roads. You glide along the pave- ment. It's a horizontal ride—with the up and down travel remov- ed.

It's not just a matter of spring design and shock absorber. Power, brakes, and ease of steering, all play a part. So do superior roomi- ness, extraordinary visibility and extra-low center of gravity—with all the weight of passengers between the wheels! But what's the use of telling you how it's done! You are interested in the ride. That can't be described. It must be experienced. So, before you buy any car, learn for yourself—compare the ride!

POT-SHOTS FROM McCAULEY

BY GEO DARDEN

A meeting will begin at the McCauley Church of Christ the third Sunday in this month and run on through the fourth Sunday. Howard Peacock from Graham will do

the preaching. The public is cordially invited.

Mr. and Mrs. W. H. Pickron Jr. from Shreveport, Louisiana visited parents at McCauley and Hamlin last week-end.

Howard Miles from Lamesa was a week-end visitor with relatives in McCauley.

Rufus Herbst was confined to a hospital in Rotan a few days last week for treatment.

Mr. and Mrs. Jack Johnson and children visited with her parents, Mr. and Mrs. J. T. Rhoten, over the holidays.

A number of McCauley citizens attended the Texas Cowboy Reunion at Stamford held last week.

Mrs. Ted Abbott who underwent major surgery at a Stamford hospital last week, was seriously ill at our last report.

Mr. Beech Jones and Wayne Webb are the proud owners of water wells in their back yards in McCauley. Plenty of water was found at 40 feet.

The new lighted softball field on the McCauley School grounds is getting a zoo. play about three nights each week. See Wayne Webb for matched games.

Style Cleaners of Hamlin will pick up and deliver each Monday and Thursday and you leave your clothes at Ben Short's Grocery.

Mr. and Mrs. Leldon Clifton from Abilene visited with her parents, Mr. and Mrs. F. L. Rector, the Fourth.

If interested in a "good fish" story ask Mrs. Luther Rector who had experience with "fish steaks" in an Abilene cafe a few days ago.

The great "Russian Bear" is still acting up, thinking we suppose that Uncle Sam will back down before fighting another war. Our old Uncle just takes so much before the bugle sounds. It would be "folly" for the United States to be caught unprepared.

A lot of folks were killed over the holidays in the United States and in most all uncalled for. Traffic rules and regulations should be observed by all means to prevent deaths of innocent people. If you drink, don't drive, and if you are "hair brained" stay in your front yard.

All over the United States real estate has reached an all-time high, but you can still get town property in McCauley worth the money. Ask this scribe if you are looking for a place to settle down, in a good community, a good school and near a farm to market road that won't quit.

Mr. and Mrs. O. T. Hennington, Miss Ruby and Roy Hennington attended the funeral services of an aunt in Ellis County last Wednesday.

Square dancing is taking the day in these parts and teams from most of the communities are in training.

See in the papers where a cowboy from Gail sold his little mare (a cuttin' horse) for the sum of \$1,650. All of which proves that it

pays to train your pony.

Mr. and Mrs. W. H. Pickron of Hamlin, La. and Mrs. Bill Pickron of Shreveport, Louisiana and George Darden family spent the Fourth at the Sweetwater J. K.

Mr. and Mrs. L. E. Rector and daughter attended the Rodeo at Stamford the Fourth.

Mr. and Mrs. Levi McCollum and daughter Mary Ann attended the Stamford Rodeo on the night of the 3rd.

Mr. Louis Bailey deposits \$5 to McCauley Cemetery fund. Other deposits last week totaled \$5. Let's keep McCauley Cemetery in good shape with your donations.

Mrs. Joe Miers underwent surgery in a hospital at Rotan last Thursday night.

So far the Republican majority has shown no intention of dealing honestly with the labor question. Dual purpose of the Republicans is to embalm labor and embarrass the President, not to enact legislation of benefit to the country. The Republican senators and congressmen are 92 per cent against labor.

Mrs. Bob Lewis and daughter have returned to Alice after several weeks visit with her parents, Mr. and Mrs. L. R. Maberry. Mr. Lewis is employed with an oil company at Alice.

The latest news on the well that was drilled on the John Maberry farm south of town is a "duster."

The ladies of the McCauley Baptist Church sponsored a bridal shower for Mrs. Henry Graham at the church one day last week. Mrs. Graham is the former Betty Keen of this city.

Lester Scott of Plasterco was seriously injured when his arm was caught in a belt at the Celotex plant last week. His arm was badly mangled and he is in a hospital in Rotan.

By the time basketball season rolls around the new and modern gymnasium which will be known as the Ed Mason Gym, will be ready for gobs and oodles of basketball games. And we like 'em.

Mr. and Mrs. Monroe Hopkins from down Austin way were visiting friends and relatives here last Saturday. They subscribed for The Herald too.

Mrs. Nute Stevens is seriously ill in a hospital in Abilene and underwent major surgery a few days ago. Her parents, Mr. and Mrs. D. M. Maberry, are at her bedside.

Mrs. Alice Hopkins, a former resident of McCauley, visited relatives here last week-end. She now makes her home in Oplin.

Gin employees will be ready to begin repair work on the McCauley gin next week and will be ready gin your cotton when you are ready.

Harold M. Cozart, son of Mrs. Rufus Herbst of McCauley, is enrolled summer school at Hardin-Simmons University, according to Mrs. J. A. Beard, registrar. He will finish his first six weeks term on Friday July 11 and registration for the second six weeks will start on the following day. Cozart is one of the 1,095 persons registered, a record enrollment for Hardin-Simmons summer school.

A Pat-Shot—Idle gossip causes more regrets among neighbors than anything else. For ever "buzzing"

and making mountains out of mole-hills will tear a community to pieces. To prove our point, we quote a little scripture: And withal they

"SERVING THE HEART OF THIS FOUR-COUNTY AREA"

FORTY-SECOND YEAR—NO. 36

HAMLIN, JONES COUNTY TEXAS, FRIDAY, JULY 11, 1947

EIGHT PAGES TODAY

General Crude Leads Loop With Wise Chapel Second

General Crude Oilers continue to set the pace and lead the field in the Hamlin Softball League. Wise Chapel is in second place, and a tight scramble has developed for third place between VFW, Celotex and Sylvester. It is reported by the league officials.

Good crowds continue to attend the local games, and some tighter games have developed since the size of the loop was reduced to five teams.

Last Thursday night Neinda girls defeated Wise Chapel 11-7, and in a thrilling game General Crude nosed out VFW 2 to 1, both Oiler scores coming on home runs by Weaver. Saturday night Stamford Juniors defeated Wise Chapel Juniors, 11 to 7. Against the best that Holly Motors could bring from Abilene the Hamlin All-Stars triumphed 7 to 2. The two teams play again here this Saturday night.

Monday night Neinda girls defeated Hamlin girls, 9 to 3 and General Crude triumphed over Sylvester 13 to 3. Tuesday night Stamford Scouts beat the Hamlin Scouts 9 to 1 and Wise Chapel edged over VFW 4 to 3.

Schedule for the next week follows:

Friday—Juniors boys and Sylvester vs. VFW.

Monday—Wise Chapel girls vs. Hamlin girls.

Mrs. Fred Smith Elected Legion Auxiliary Head

American Legion Auxiliary met in a called session Monday evening at the home of Mrs. Brad Rowland to elect new officers and attend to other important business matters.

The following officers were elected: President, Mrs. Fred Smith; vice president, Mrs. Vera Nobles; second vice president, Mrs. L. L. Cowan; secretary, Mrs. Atwood Robinson; treasurer, Mrs. Homer Rainey; historian, Mrs. G. G. Bowman; reporter, Mrs. Fred Carpenter; chaplain, Mrs. Brad Rowland; and sergeant-at-arms, Mrs. Earl Brown.

Mrs. G. G. Bowman and Mrs. J. E. Simmons were elected delegates to the annual convention of the American Legion Auxiliary Department of Texas, which meets in Fort Worth July 27 to 30.

Mrs. Joe Culbertson and Mrs. Bill Matchett were elected alternate delegates.

Mr. and Mrs. John F. Green Sr. have returned from a trip to Detroit, Michigan where he was on business and to Rochester, New York to visit her sister and family. En route to Rochester, the Greens went across the international border and drove through the port of Canada north of Lake Erie. Mr. Green went hunting and fishing with his brother while in Canada and caught his first pike, a game fish of that section. Mrs. Green visited in New York City with her sister.

Mr. and Mrs. Tronnie Carter and daughter, Mrs. Rose Zell Arthur and daughters, Sherry and Gay Lynn of Van Nuys, California, are here visiting the W. J. Carters and other relatives and friends. Other relatives visiting in the Carter home are George Carter of Commerce and sister, Mrs. Jim Williams and daughter and son-in-law of Wolfe City.

Mr. and Mrs. Tate May are spending several days in Dallas and other points this week.

Paul Bryan is in the Pacific Northwest and Canada on a hunting trip and fishing trip with several friends. They went by way of the west coast and expect to be gone until about August 1.

Mr. and Mrs. Marvin York Jr. and little son of Dallas were here this week visiting his parents, Mr. and Mrs. M. T. York Sr.

Mrs. Evelyn Wilkerson and Jimmie Brenda and Mrs. Chris Oster spent the week-end in Anson.

Wilda Jean spent her vacation with her parents, Mr. and Mrs. Morris Jean. She is employed at a Rotan hospital.

Navy Recruiter To Be Here Two Days Of Next Week

Chief Petty Officer E. F. Thomas from the U. S. Navy Recruiting Station in Abilene, will be in Hamlin on next Monday and Tuesday for the purpose of interviewing applicants for the regular Navy, also the USNR V-6 (inactive). Chief Thomas will be located at the postoffice building.

He said he would be glad to speak before any groups on Naval subjects and to point out the advantages to be received from an enlistment and pointed out that men over 17 do not need consent papers.

'Hopper Poison Again Available at Anson Station

A new crop of grasshoppers has hatched out and now that pasture grasses are getting dry and short the hoppers have started moving into the cotton fields for tender grazing. County Agent H. C. Stanley stated this week.

In order to combat the hoppers the Grasshopper Bait Mixing Station located at the Farmers Cooperative Gin in Anson will remain open on Mondays, Wednesdays and Fridays from 8:00 a. m. until 5:00 p. m., he said.

Poison being mixed is furnished by the U. S. Department of Agriculture, Bureau of Entomology and Plant Quarantine and the Jones County Commissioners Court cooperating.

There is a small charge for poison to cover freight, storage and handling. Each farmer is requested to bring his own sacks.

Local Youths To Attend Camp Leuders Meetings

Plans are being made for boys and girls from Hamlin to attend the Baptist encampments at Camp Leuders, the boys from July 21 through July 24, and the girls July 14 through July 17.

Intermediate Girls' Auxiliary and Young Woman's Auxiliary members will hold their encampment beginning next Monday. Every girl of intermediate or young people's age in Hamlin who would like to attend is urged to contact the office of the First Baptist Church. It is not necessary for Baptists. If there is one who wishes to attend but does not feel financially able, you are invited to list your name at the office and the church will sponsor the girl or boy. Wonderful training will be received under the leadership of several outstanding workers. Mrs. I. R. Hutchingson will be the local sponsor.

Bonnie Smith and Rev. Bill Cravens will accompany the boys. This group includes boys from juniors through 16 years of age. The boys are invited to go even though they may not be able to pay the expenses. Be sure and leave your name at the church office soon if you plan to attend.

Mrs. Lydia Miller and Bennis Doris Wilkerson spent the week-end in Knox City visiting Mrs. John Roberts and family and Mr. and Mrs. Eldon Leake.

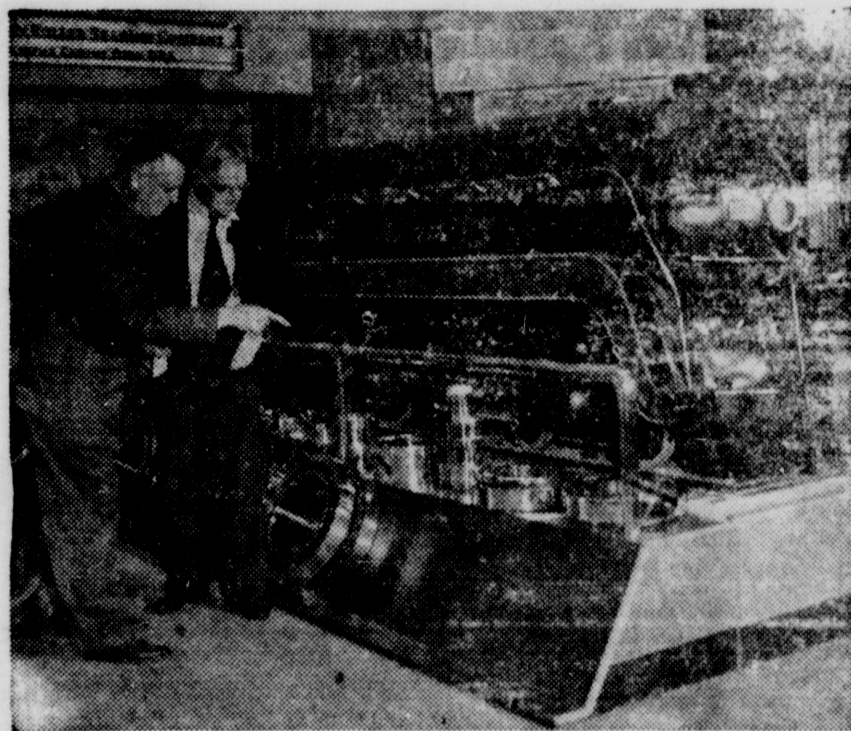

Mrs. Chris Oster of Loving is visiting her daughter-in-law, Mrs. Evelyn Wilkerson and children here and her daughter, Mrs. Mary Vaughn and family of Hawley. Mrs. Oster will be remembered in Hamlin as the former Annie Wilkerson.

Mrs. Joe Simpson and daughters and Mrs. Lott Shell and children spent Wednesday and Thursday at Georgetown with relatives.

Mr. and Mrs. J. L. Johnson and son, J. L. Jr. and Mr. and Mrs. Jim Johnson of Dallas attended the Cowboy Reunion and spent the week-end with Mr. and Mrs. H. A. McWright.

H. O. Cassle Jr. of Odessa spent the Fourth with his parents here. Mrs. Cassle is visiting her family at Youngstown, Oklahoma for a few weeks.

Model Locomotive Tours U. S.

Guaranteed to attract the eyes of model train builders the world over, is this \$50,000, quarter-size model of a modern type 4-8-4 Timken Roller Bearing equipped steam locomotive.

The locomotive model was built, not as a toy, but rather as a graphic presentation of the rapid strides made in the railway applications of roller bearings.

Shown examining the model and the regular bearings used in full-sized locomotives, pictured along the sides of the exhibit, are Walter C. Sanders, left, General Manager, Railway Division, of the Timken Roller Bearing Company, and Lawford H. Fry, Director of the Steam Locomotive Research Institute.

Cotton and Some Grain Show Price Decline Over Previous Week

Cotton and some grains dropped sharply last week, and easy spots appeared in livestock and vegetables, according to report received by The Herald from the Production and Marketing Administration of the U. S. Department of Agriculture. Other Southwest products sold steady to strong.

Volume movement of the new crop uncut recently ballooning sorghum markets, and prices collapsed to levels 70 to 80 cents per hundred pounds, lower last week. Quotation at Fort Worth and Galveston Thursday stood at \$2.61 for No. 2 milo. White corn gained 22 cents to reach \$2.83 per bushel, and yellow corn dropped six cents to sell at \$2.29. Other grains changed very little from a week earlier.

Rains delayed prairie hay harvest in the Southwest and damaged alfalfa in the Central West. Peanut markets saw light trading, but new crop prospects continue good. Oilseed meals climbed higher, but millfeeds dropped, and other feeds remained fairly steady. Good 12-month Texas wools sold at 47 to 55 cents per pound.

Spot cotton markets quoted \$2.50 to \$7.25 per bale lower prices last week. A little more activity left trading still on a small scale. High and medium grade cotton continued in demand. Most cotton areas enjoyed favorable growing conditions.

Eggs held firm last week, and even advanced slightly in some areas. Better qualities found especially good demand. Current receipts brought mostly 37 1/2 to 38 cents per dozen at Fort Worth, 39 to 42 cents at Denver, and 38 1/2 to 40 cents with lots candled out at Dallas. High quality graded eggs sold quite a bit higher. Poultry held steady.

Most cattle sold about steady last week, but Oklahoma City paid 25 to 50 cents higher prices, while cows and bulls went lower. Houston, as did calves, but few low grade cows and heifers. Denver. Common to medium cows bulked at around \$12 to \$15 at most places, and canner to cutter grades \$8 to \$12. Common to medium stocker steers and yearlings brought \$13 to \$16 at Houston, while medium and good kinds moved at \$16 to \$20 at Fort Worth and \$16.50 to \$18.50 at Wichita.

Enjoy Fish Fry.

On July 4th, Rev. Tate Reddin, Morris Jean and sons, Hack Phillips, Edwin Hill and Sammy Terrell of Odessa, went fishing and brought back 50 pounds of fish. That night, together with a number of other friends they enjoyed a fish fry.

Lester Scott Hurt Badly At Celotex

Lester Scott, an employee of the Celotex Corporation, was seriously injured while at work at the "gyp" mill southwest of town last Wednesday afternoon. In some manner, his right arm was caught by a conveyor belt and badly crushed in some rollers. He was rushed to a hospital in Rotan where it was found his arm had been pulled out of place and broken just below the shoulder joint. Physicians had a hard time stopping the flow of blood and it was necessary for him to have several transfusions. At first, it was thought he would lose the arm, but later doctors said it could be saved. According to latest reports, Scott is doing about as well as could be expected.

SS Representative Coming to Stamford

E. Glen McNatt, a representative of the Social Security Administration, will be at the Texas Employment Service office in Stamford, on Thursday of next week July 17, at 11:00 o'clock a. m.

All persons wishing to file retirement or death claims under the Social Security Act should call or see the representative at that time.

Anyone wishing to see Mr. McNatt is requested to call promptly at 11:00 o'clock a. m., as he will remain at the office for only a short time.

Mr. and Mrs. Joe B. Miller and Mr. and Mrs. A. G. Miller had as their guests this week Mrs. L. B. Kinman and children, Meldean and Jimmy of Big Springs. Mrs. Kinman is a niece of Joe Miller.

Mr. and Mrs. Joe Smith of Knox City visited Mr. and Mrs. Jude Smith last Friday.

Mrs. Jim Dickey left Thursday for several weeks visit with her son and daughter in California.

Mr. and Mrs. B. L. Pitcock of San Antonio were here during the Fourth of July holidays visiting his parents, Mr. and Mrs. J. S. Pitcock. It was his first visit home since receiving his Army discharge early this year.

Mr. and Mrs. Harry W. Pitzer of Chickasha, Oklahoma spent the Fourth holidays with her parents, Mr. and Mrs. H. O. Cassle.

John Walker has gone to California for a visit with relatives.

Mr. and Mrs. Jack Johnson and children of Borger visited Mrs. Etta Stephenson last Saturday.

Mr. and Mrs. W. J. Carpenter of Sherman visited his brother, Mr. and Mrs. Fred Carpenter, here during the week-end.

Many Subscribers Renew to "Beat" August 1 Limit

Many readers of The Hamlin Herald have renewed their subscriptions during the past week and several new readers have been added to our growing list, following the announcement last week that effective August 1 the subscription rate would be \$2. per year in Jones, Fisher, Haskell and Stonewall Counties. Elsewhere the price has been raised to \$2.50 per year.

Subscribers may renew at the old rate of \$1.50 in the above four counties and \$2. elsewhere until the August 1 deadline. Renewals will be accepted in advance for a period not to exceed three years.

If you are not a subscriber at present, look over the sample copy received this week. New subscriptions will be received at the \$1.50 to \$2. rates also, until August 1, publishers stated this week.

The Herald is one of the last papers in this area to hike the subscription price, but increased costs of the newsprint, ink, labor and all other material and equipment used in the manufacture of a newspaper caused publishers to take the step. Newsprint for instance, has increased over 200 per cent in price.

Agent Warns Farms Of Cotton Insects

Cotton insects are in for their share of this year's cotton crop according to County Agricultural Agent H. C. Stanley. Especially the cotton flea hopper and boll weevil. Insect infestation counts have been made in various locations in the county and cotton flea hoppers are doing most of the damage at this time, but the boll weevil is present and will bear watching.

Alford Mayfield, progressive farmer in the Union community, is dusting his cotton with a five per cent D. D. T. and 75 per cent sulphur mixture at the rate of 10 to 15 pounds per acre for cotton flea hoppers. Alford says that he has been dusting his cotton for several years now and finds that it is a paying proposition. Other farmers dusting cotton for flea hoppers are Jack Parks, Union community, Vernon Mayfield, of Wise Chapel community and Cochran, of Lueders community.

Mr. and Mrs. J. B. Martin of Longview returned to their home last week after a visit with their parents, Mr. and Mrs. Virgil Steele and Mr. and Mrs. Sim Martin of Celotex. Miss Sarah Steele accompanied them home for a visit and will also visit her aunt, Mrs. S. G. Carruth, at Port Arthur before returning home.

Mr. and Mrs. Gene Beane and son, Gene, visited her parents, Mr. and Mrs. W. C. Elkins and his parents. Mr. and Mrs. Herman Treadwell and Mrs. J. Ubben are on a vacation trip to Dallas, Corpus Christi and other points in south Texas.

Dr. Tom West of Abilene was a week-end guest in the home of Mr. and Mrs. H. A. Johnson.

Arthur S. Brinkley Jr. of Richmond, Virginia has been here for the past two weeks as a guest of his cousin, Mr. and Mrs. C. P. Yates.

Mr. and Mrs. Oles Tabors of Miami, Arizona and Mr. and Mrs. Ira Bouldin of Globe, Arizona, left for their homes Monday after a visit here with their sister, Rev. and Mrs. Sam King. The group spent Sunday with another brother, J. R. Bouldin and family of Maryneal.

Mr. and Mrs. Eldon Jackson and three children and Mrs. Velma Jackson of Vernon visited in the home of Mr. and Mrs. Delma Shelburne last Wednesday and Thursday. They also visited in the home of Mr. and Mrs. Lesley Shelburne while here.

Rev. and Mrs. B. J. Martin and son, Johnny Ed of Mallinger spent the Fourth here with Mr. and Mrs. W. C. Russell and other friends.

To Pastor First Baptist While Osteen Is Away

Rev. Bill Cravens

Rev. Bill Cravens has assumed his duties at the First Baptist Church as supply pastor while Rev. John H. Osteen is attending the World Congress in Copenhagen.

He attended Northwestern Theological Seminary, where he was granted Th B degree and received his B A degree at Hardin-Simmons University in Abilene this June, following four years of study.

He was formerly pastor of a church at Battle Lake, Minnesota and Hebron, Texas. And while attending Hardin-Simmons University he has served as supply pastor at several churches in this section, including the Haskell church for two months.

He debated for IESU for two years, was president of the sophomore class of 1944, member of Who's Who among students in American Colleges and a member of the Mission Band and Baptist Student Union.

At Hospital Opening.

Mr. and Mrs. Bowen Pope attended the opening of the new \$65,000 Sadler Hospital-Clinic in Merkel on Sunday afternoon. The hospital belongs to Dr. Sadler, and provides 17 rooms for patients. Mr. Pope said that Dr. Sadler received wonderful support from the people of that area. He reported that the road from Merkel to Noodle had been graded and later would be blacktopped. Part of the road from Boyd Chapel to Hamlin Lake will be improved in the future, he said and eventually people of eastern Fisher and western Jones will have an outlet to the south.

Mrs. Loren Griffen and children, Phil and Barbara, of Wichita Falls are here for a visit with her parents, Mr. and Mrs. Tom Teague. Mr. Griffen is in Newark, New Jersey on business.

Lt. and Mrs. W. H. Pickron Jr. of Shreveport, Louisiana visited his parents, Mr. and Mrs. W. H. Pickron and her parents, Mr. and Mrs. George Gorden, during the week-end.

Misses Verna Mae Colwell, Jo Hargrove, Shirley Baggett, Inez Baggett and Edith Ann Scott, all of TSCW at Deaton were home for the Fourth holidays.

Mrs. L. P. Cozzen left Monday after a two week visit with her daughter, Mrs. H. M. Hooper.

Mrs. W. B. Teague, who has been visiting in Globe, Arizona for the past several weeks, visited here early this week. She was enroute to her home at Austin.

Campionship Tilts to Start Here This Friday

Locals Here To Win 2 In Row

Coach L. B. (Red) Howard's Hamlin High School Pipers took the first half of the District 13-A baseball league on July 4, walloping the Trent nine 18 to 5 in the Tyler County lads' own back yard. The Pipers had previously beat Trent here on Tuesday 11 to 6 in the opening encounter of the series to decide the first-half winners. Fans who saw the game said the Pipers took early in the game leading 10-2 at the end of the second inning and never left much doubt in anyone's mind about the outcome.

The "chips will be down" Friday afternoon at 3:00 o'clock p. m. when the two teams cross bats again for the first three-game series to decide the league championship for 1947. According to Coach Howard officials from Abilene will call the game and fans can expect a good contest. The game will be played at Hamlin City Park and the second game will be at Trent.

First game of the series was to have been played Tuesday of this week, but due to illness of a Trent player, it was postponed. Local players and fans are confident that they will take the first championship of the new league during this next week. Hamlin people are urged to come out Friday and back the boys as they enter the home stretch.

On Tuesday night Hamlin's men trounced the Plainview team 6 to 1 on the Plainview field.

Next Tuesday night the local team will encounter Stamford on the local diamond. Everyone is invited to attend the first home game and to boost the youngsters.

Baptist Softball Team Beats Abilene University Church

First Baptist Church softball team defeated the University Baptist Church of Abilene in a game played at the Plainview diamond last Friday night, 13 to 7.

Manager Bonnie Smith is optimistic about his team and is anxious to match other games with other teams from other local churches or with those from out-of-town.

Aubrey Altum is captain of the local team.

Sunday Guests.

Mr. and Mrs. L. E. Hines of Celotex had as their guests Sunday: Mr. and Mrs. W. A. Daniel and children, James, Buddy, Benny and Patsy of Eunice, New Mexico; Mr. and Mrs. Voshel Ewing and Don of Rotan; and Mr. and Mrs. Albert Chandler and Helen of Hamlin.

Mr. and Mrs. Leslie Sparks and children, Robbie and Mary of Mathis are here visiting this week with her aunt, Mrs. S. D. McMahon.

Mrs. Mable Bristow and sons, Wayne and Dudley of Muleshoe are here visiting her parents, Rev. and Mrs. Sam King.

Mr. and Mrs. Monroe Hopkins and his mother of Austin visited Mrs. Viola Hendon and family at McCaulley July 4th.

Blessed Events

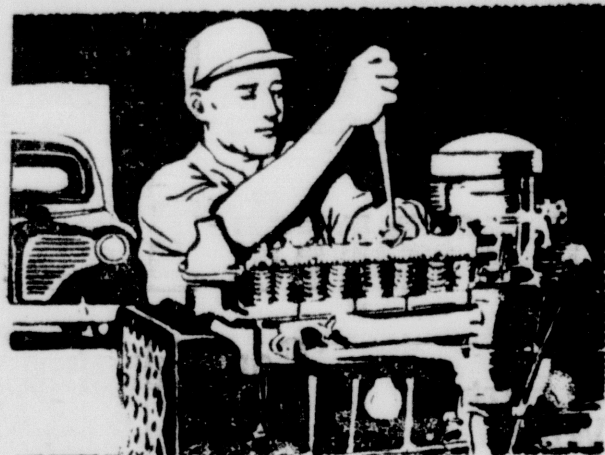

Mr. and Mrs. H. D. Burton are the parents of a daughter, Martha Delaine, born July 2 at Callan Hospital in Rotan. The little lady weighed eight pounds, and 12 ounces.

BOYCE HOUSE— "Gives You Texas"

In Hot Springs just a few days ago (my second visit in three months) your columnist had the honor of speaking to the annual banquet of the Arkansas Press Association, and of course related a number of Texas stories. Afterwards, among those who came

up was a man who said: a man who said:

"I want to tell you a Texas story. I was in Java during the recent war. It was in the early days and the outfit had been pretty badly shot up. It contained a god-damn Texan. The Japs completely dominated the air. One of the Texas boys said, 'Why don't the rest of the United States send us a few planes so we Texans can lick these Japs?'"

The man who related the incident was Dr. Wassell—yes, the heroic physician who was praised by President Roosevelt in a speech heard all over the world for refusing to abandon a group of American wounded but, against almost impossible obstacles, got through the jungle, eluding the Japanese forces and saving the patients. Dr. Wassell's life was made the subject of a great motion picture starring Gary Cooper.

Texas are even where in Hot Springs. When I entered a cafe the juke box was playing "Across the Alley from the Alamo." On a wall was a sign, "Chili, mild, medium and hot." A man said, "Chili, and make it hot; I'm from Texas." And as the bus pulled out of Hot Springs, enroute to Arkadelphia to make connection with the train back to the Lone Star State, 15 passengers began singing "The Eyes of Texas Are Upon You"—they were high school students from this state who had been attending a Junior Red Cross encampment.

Billions Spent To Train War Veterans

In a news release from the VA this week Hamlin area folks are advised that more than a amount of \$2,500,000,000 has been spent to provide education and on-the-job training for veterans of World War II.

This was revealed today when VA reported cumulative expenditures of \$2,283,000,000 by May 1 for education and training under the Servicemen's Readjustment Act and the Vocational Rehabilitation Act.

Mrs. Rudolph Hash and two sons, and R. M. Hash of Sherman and Mrs. Soucy of Nashua, New Hampshire spent several days last week with Mr. and Mrs. Ray Moss in the Plainview community.

Shipments Of Livestock In Texas At Increase

Increased livestock shipments in Texas and the Hamlin area during May resulted from heavy runs of sheep and calves to market, causing farm cash income in sheep producing areas of the state to soar, according to the University of Texas Bureau of Business Research.

Shipments saw a six per cent April-to-May advance and rose three per cent above their May 1946 levels, the May total reached 12,403 carloads.

Cattle shipments slumped 13 per cent during the month but stood at eight per cent above May 1946 figure, and hog shipments dipped 12 per cent below April shipments but remained 23 per cent better than in May last year.

On the other hand shipments of sheep were almost five times greater than in April, totaling 2,258 carloads during the month compared to 488 marked up in the previous month. Compared with May 1946, however, sheep shipments were 15 per cent lower. Shipments of calves, also reporting an April-to-May advance, rose 33 per cent but failed by four per cent to come up to the May 1946 mark.

Intrastate shipments (plus Fort Worth) jumped five per cent from April to May.

Intrastate shipments, less Fort Worth) increased by 14 per cent in May. Most significant intrastate change was the jump from 10 carloads of sheep in April to 61 in May.

Attend Funeral.

Dr. and Mrs. Don Gould attended the funeral of her grandfather, S. T. Roberts, of Stamford last Friday, July 4. Mr. Roberts was a retired railroad man.

Jeannine Johnston of HSU in Abilene and Herbie Faye Johnston of Dallas visited her parents, Mr. and Mrs. H. A. Johnston, during the week-end.

'Tween Me and my Typewriter

by Jeanelle Bryant

It was a glorious Fourth with the usual picnics and outings. The flies and ants were there to share in the fun and food. Fireworks were in evidence for the first time since the war. And we can't say we enjoyed that part of it. That is one war-time shortage that most everyone welcomed. Guess we're getting old. Why not let the youngsters have their fun?

The colorful array of real cow-

boys and cowgirls at the Cowboy Reunion, and Rodeo was something to write home about for us. In our wildest imagination, we never pictured so very many honest-to-goodness cowpunchers. But we still think a person who will attempt to drive one of those wild Brahmas must be just a little light-headed. At times, we feared the rider would emerge headless.

While on the subject of the rodeo, we take off our hat to Hamlin's representative, Miss Jessie Myers, who placed third in the cowgirl contest. We should take great pride in that Miss Myers still claims Hamlin her home, although her family lives in Abilene.

Several days ago, the title of a book caught our eye in the book shop window. "Growing Old Dis-

gracefully" was the name. Personally, we don't think we need to read it.

We have witnessed two minor wrecks near our place of business within the past week, with U-turns being involved in both mishaps. We have seen the Rotan and Stamford highways both blocked while local residents calmly make a U-turn. 'Nuff said!

Vacationists are fast taking to the highways. Something related to plain envy fills us, until we stop and think just how hot those trips can be, and then we relax, take on new spark and go to work, contented to remain here and keep the home fires "burning".

Makes no difference if we are out-of-style, we contend that the longer skirts are not very flattering to our beanpole figure. The bustle type frock doesn't complement a lot of us women either.

We haven't yet seen any of the silver discs that are supposed to be in the air in parts of these United States. We would suggest that those who have seen those flying objects take a good dose of quinine or maybe sulphur and molasses would do the trick. We have seen

spots before our eyes many times on a sunny day, too.

Rev. and Mrs. John H. Osteen and Mrs. J. W. Ezell are off to the Baptist World Congress in Copenhagen. They drove to New York, where they will sail for Europe on the Queen Elizabeth. Mrs. Ezell will visit a niece in London, England also. Betcha they will have lots to talk about when they get home. By the way, Jean Osteen will write those articles for The Herald. Don't forget to watch for them soon.

Our five-year-old niece, who lives in Sherman, has been visiting her grandmother near Brownfield. Thoroughly enjoying farm life, she had been scratching the crusty dirt away from the beans coming up every time she paid a visit to the garden spot. While a sandstorm was brewing, she paid her daily visit to the vegetables, and kneeling down, she pointed her fingers at the bean peeping from the soil, and advised, "You better stay in there, a sand storm is coming."

If you don't care for such stories about our kinsfolks, you had better give us some better ideas for this column. We welcome your suggestions. Might even let you conduct the writing for a week or so, if you care to try it. You would be a sympathetic reader, at least.

Don't know why we headed this "Tween Me and My Typewriter", cause this old machine never offers any suggestions, criticisms or compliments no matter how hard we bang the keys. It never talks back to me. That's more than we can say about our husband. Don't know why we had to conclude this with such an obvious truth.

Texas Headed For A Milk Shortage

Texas is apparently headed for another milk shortage this fall, L. G. Harmon, professor of dairy manufacturers at Texas Technological College, predicted the following in a meeting of dairymen from West Texas and other points over the state held at the college last week.

Worst shortages will probably be on the north and south plains areas and in South Texas along the coast he said. The milk surplus which has been evident this summer in the area around Fort Worth, Dallas, Brownwood and Eastland will probably be eliminated in the autumn months, according to the dairymen present.

One of the present reasons for the shortage is that farmers tend to ease up somewhat on milk production efforts when field crops are excellent as they now are in the Panhandle. But the major cause is the common practice of dairymen of breeding most cows for spring freshening.

The breeding practice causes the production to be highest in the summer when demand is lightest, and leaves the October to February period with low production.

The obvious solution is for milk producers to breed for early fall calf crops, Harmon said. But he predicted that it will probably take at least four or five years to increase the percentage of cows freshening in the fall to the extent needed to eliminate annual winter milk shortages.

Sunday Guests.

Visitors in the home of Mr. and Mrs. A. G. Tidwell Sunday included Mr. and Mrs. Warren H. Tidwell and family of Fort Worth; Mr. and Mrs. J. W. Major, Mr. and Mrs. H. E. AUTOMATIC FLOOR FURNACE

Gas floor furnaces with automatic controls are miracle workers when it is cold and wet outdoors. When the weather demands — just the right amount of warmed air automatically flows from the space-saving floor grille to every nook and corner of the room.

This gentle, even warmth means no frigid floors, no chilly corners, no cold feet in a floor furnace warmed house. Properly installed throughout the house, each room is given its individual, controlled warmth.

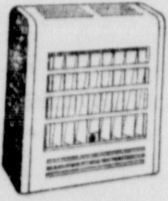

Gas is burned in a sealed chamber that is vented to a flue. Venting eliminates wall sweating and stuffy air and assures you of the safety and savings enjoyed only with vented heating appliances. Floor furnace installations during summer are prompt and more convenient. Select Flue-Vented Floor Furnaces with automatic controls.

Two floor baskets of peach and white gladioluses and fern provided an altar arrangement before which Rev. M. W. Tiemann officiated at the double ring ceremony in the presence of 75 guests. Miss Elaine Bartels played the prelude and the traditional wedding marches. Miss Loretta Thurman sang, "Because" and "I Love You Truly" preceding the ceremony.

Given in marriage by her father, the bride wore a lustrous white slip-

per satin gown, with a gathered skirt on a fitted band. Seed pearl embroidery in the grape and vine pattern traced the high neckline and armholes of the bodice. The dolman sleeves tapered from great fullness on the upper arm to a tight wrist ending in the traditional point. Her full skirt swept into an aisle-wide train. Her finger tip veil rayon net edged in chantilly rayon lace was held in place by a beaded coronet halo. She carried a cresent shape bouquet of white carnations and pink roses tied with a brocaded ribbon.

Mrs. Ben Brown of Hastings, who attended her sister as matron of honor, wore a gown of blue net over taffeta and carried a bouquet of pink carnations. She wore a band of matching flowers in her hair.

Mrs. Robert Norris of Hastings acted as bridesmaid for her sister, and wore a pink gown fashioned all over with lace bodice with net over taffeta skirt. Her bouquet was of pink carnations with blue show-ers, and wore matching flowers in her hair.

Ronald Brown, nephew of the bride, dressed in white, carried the ring on a white heart-shaped pillow. The groom was attended by Ben Brown as best man and Robert Morris as head usher. Paul Meyer and Edwin Hundt served as ushers.

Mrs. Siebels, mother of the bride, wore a street length dress of black crepe with black accessories. Her corsage was of white carnations.

Following the ceremony, a recep-

tion was held in the auditorium in Campbell for about 70 relatives and friends. The auditorium was decorated in pink and white streamers and summer flowers.

A three-tiered wedding cake centered the lace-covered refreshment table. The cake was baked and decorated by the bride's mother. Aunts and cousins of the bride served a two course dinner to the guests.

For traveling, the bride chose a two-piece gray suit with a white flower hat and red accessories. She wore a corsage of red roses.

The bride was a graduate from Campbell High School and for the past three and one-half years has been employed at the Hastings Naval Ammunition Depot.

The groom was graduated from Troy High School and served in the Army Air Corps for four years. He recently received his flight instruction rating at a Dallas Aviation School.

Seven Hamlin Persons At HSU For Summer Term

Seven persons from Hamlin are enrolled in summer school at Hardin-Simmons University, according to Mrs. J. A. Beard, university registrar. They will finish their first six weeks term on Friday, July 11 and the second six weeks will start on the following day.

Local students attending are Bertie Agnew, Alfred C. Altum, Duane Brown, John S. Cole, Jack Ellison, Harold Fletcher and Jeanne Johnston.

Ellison, a regular first string guard on the undefeated an untied Cowboy gridiron combination, is to serve as captain of next year's football squad.

These seven students from Hamlin are among the 1,095 persons registered, a record enrollment for Hardin-Simmons summer school. This figure is exceeded only by the fall and winter semesters of 1946-47.

Those enrolled from Sylvester are William Carlton Brewer, sophomore, son of Mr. and Mrs. E. L. Brawer; William G. Combett, sophomore, son of Mrs. M. W. Combett; Eldon A. Pursley, sophomore, son of Mr. and Mrs. A. W. Pursley and Thomas Baylis, sophomore.

Gleaners Class Has Party In Park

Gleaners Class of the First Baptist Sunday School enjoyed a picnic at City Park Tuesday night, with Mrs. R. L. Maynard and Mrs. LaRoy Stubbs as co-hostesses.

Refreshment course of sandwiches, potato salad, potato chips, pickles and iced tea was served to the following: Mr. and Mrs. Teddy Russell, Mr. and Mrs. Fred B. Moore Jr. and Barry, Mr. and Mrs. Paul Gentry, Mr. and Mrs. Marvin Carlton, Mr. and Mrs. Vernon Shearer, Mrs. Roy Mauldin, Mr. and Mrs. Bill Shira, Mr. and Mrs. Stubbs and Sammy, Mr. and Mrs. R. L. Maynard and Marilyn and as guests of the class, Mr. and Mrs. Marvin T. York Jr. of Dallas.

Fomby-Books Wedding Read In Abilene

Mrs. Ione (Cricket) Fomby became the bride of Morris Books in a simple ceremony read at 6:00 p. m. Wednesday night, July 3 at the Emanuel Baptist Church with the pastor officiating.

The bride wore a black crepe dress with white accessories, and a gardenia.

Following the wedding trip to Ruidoso, New Mexico, and San Antonio and Mexico Mr. and Mrs. Books will be at home in Hamlin.

Quita Lain and Roy L. Buie to Wed Here July 20

Mr. and Mrs. J. C. Lain of near Anson have announced the engagement and approaching marriage of their daughter, Quita Lain to Roy L. Buie of Fort Worth. The wedding date has been set for July 20 at 8:00 a. m. at the Hamlin First Baptist Church with Rev. H. M. Chambers of Anson officiating.

Miss Lain, granddaughter of Mr. and Mrs. J. H. Morton of here, is a graduate of North Texas State College at Denton, and taught in Midland and Fort Worth. Mr. Buie served with the Army Air Corps several years, and is attending the North Texas Agricultural College in Arlington.

Lester Morton, uncle of the bride-to-be, will sing preceding the ceremony, and Mrs. Morton will accompany her husband at the piano.

HSU Student Organist Here Crowned Queen

Wanda Karnes, coed from Longview, has been named queen for the Hardin-Simmons summer school.

Miss Karnes, who has played the new organ at the local First Baptist Church several times recently, has many friends in Hamlin. She will be guest organist here again next Sunday.

She was chosen this week by her fellow students as the charm girl of the campus. She was selected from a group of six girls who were nominated by more than 100 votes over rated by petition. She had a plusher nearest opponent.

Miss Karnes will be crowned as queen in a Fairland coronation theme Friday night. Ten princesses will attend Miss Karnes, each of them representing the legends of some sections of the country.

Included in the elaborate scenery for the coronation will be living statues and human torches.

How women and girls
may get wanted relief
from functional periodic pain
CARDUI is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:
1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.
Try CARDUI. If it helps, you'll be glad you did.

Representative Burleson Fights Proposed Bill to Hike Postal Rates

Representative Omar Burleson of Anson is worried and rightly so about the increased burden that additional postage rates will put on the rural people of his section.

"After all, these people not only

have to use mails for necessities some times," he says. Some people do not realize that there is still a sizeable mail order business done in this country."

Burleson is notifying his constituents of some of the features of the bill reported out to the House in Washington last week by Representative Edward H. Rees of Kansas, chairman of the house post office and civil service committee.

The bill was the result of a steady asked by President Truman to meet the largest postal deficit in history, -492,000,000.

By extending the three-cent local and non-local rates for first class mail beyond the July 1, when it was supposed to revert to two cents, \$188,000,000 of the deficit can be met. This leaves the post office department in the hole by \$300,000,000.

By instruction from the president post office department officials recommended rate increases which would increase revenue by \$173,000,000 and testified that rates to raise the entire deficit of \$300,000,000 would result in undue hardship.

Rees stated that the committee's bill would bring about "moderate" rate increases and raise revenue by over \$100,000,000.

There will be no change in present rates for post and postal cards, publications of religious, fraternal or scientific organizations or library books.

Air mail will be increased from five to six cents which will bring in \$11,000,000 more.

There is no change in postal charges for newspapers and periodicals sent through the mail within the county of publication. Outside the county, the increase in the committee's bill are made in the zone rates which relate only to the advertising content plus a slight increase of one-half cent a pound on the reading portion. The piece rates and advertising surcharges recommended by the department have been eliminated.

On third class mail increases on bulk mail will be two cents per pound.

Synthetic Foods Not to Replace Good Cooking

Fried chicken and apple pie are here to stay.

Vitamin pills, mineral extracts and other forms of concentrated food capsules will probably never replace the present more conventional human diet, according to Dr. R. C. Goodwin, Arts and Sciences dean of chemistry department head at the Texas Technological College and he gave numerous reasons to substantiate his theory.

In the first place, science has not yet learned to manufacture all of man's complex food needs synthetically, and probably never will. Even if this were possible, the synthetics would probably be too expensive to be very practical. Also, man's stomach does not function efficiently on a diet of thimble-sized pills—it needs to be literally full before the digestive juices will flow.

Now if successive generations of man should choose to live exclusively on these concentrated capsules—if they were available—and finish filling their stomachs with hay to start the digestive process, the possibility exists that in a 1,000 years a man might evolve with a very small stomach capsule of handling the food pellets alone.

But meanwhile, little girls had best go right on learning to cook. It isn't very likely that men will pass up beefsteaks and french fries in favor of fodder.

So, professor, please pass the strawberries.

Important Date Set for Veterans

There's a date mighty important to Hamlin World War II veterans—the Hamlin area who are part of 1,400,000 of the veterans living in Texas, Louisiana and Mississippi. For it's August 1.

Most veterans who have let their GI insurance policies lapse have until August 1 to reinstate their policies under present liberal regulations.

Until the August 1 dead-line, a physical examination is not required in most cases. The veteran has only to sign a statement that his health is as good as it was when the policy lapsed. Payment of only two monthly premiums is necessary to restore the GI insurance in full force.

Since civic groups began cooperating with VA early in February in urging veterans to reinstate their insurance, more than 46,000 World War II veterans both men and women in Texas, Louisiana and Mississippi have reinstated approximately \$350,000,000 worth of insurance.

Necessary reinstatement forms can be obtained from the nearest VA office or from service organizations.

Attend Funeral.

Mrs. H. M. Hooper, Mrs. E. P. Hamlin and Mrs. L. P. Cozzon attended the funeral of Rev. Johnson at Goree last Thursday. Rev. Johnson was a former pastor of the McCaulley Methodist Church.

Mr. and Mrs. Raymon Elkins and children of Dallas visited his mother, Mrs. W. B. Elkins and Mrs. Gene Eaton, and her sister, Mrs. Earl Brown, here several days this week. He is planning to enroll at Texas Tech in Lubbock.

Bertie Agnew of Hardin-Simmons University visited her mother, Mrs. Dora Agnew, during the week-end.

Thomas C. Stephens Given Promotion At Japan Base

Announcement was made this week of the promotion to corporal of Thomas C. Stephens, son of Mrs. George Wainwright, Route 1, Hamlin, made recently at Itazake Army Air Base by Colonel Travis M. Hetherington, commanding officer of the 315th Composite Wing.

Corporal Stephens attended the Rotan High School, prior to his enlistment in the military service at Fort Sam Houston. Receiving his military training at the Military Training Center, San Antonio, he remained on duty in the United States until his departure for overseas service in November 1946.

Arriving in Japan on November 22, 1946, following a sea voyage on board the U. S. Admiral H. T. Mayo, Corporal Stephens was assigned to the Fifth Air Force, the Occupational Air Force for Japan and Korea and was subsequently reassigned to the Headquarters and Headquarters Squadron at Itazake Army Air Base on the southernmost Japanese home island of Kyushu. Corporal Stephens is currently assigned as a file clerk with the Training and Operations Section of the 315th Composite Wing.

*WHO WILL RUN THE NATION'S LARGEST BUSINESSES IN 1974?

YOUNG MEN back from war wonder about the country's future and their own future. What will they be doing 27 years from now?

The 143 top men who manage 50 of the nation's largest businesses can help answer that one.

Twenty-seven years ago, most of them came back from a war, too.

All of them, after the war or before, began their business careers at the bottom.

One started work for \$1.50 a week—11 others for less than \$5 a week. 43 others started work for less than \$10 a week.

Eighty-one others received between \$10 and \$25 a week. Only 7 received more than \$25—the highest getting paid \$69.23 a week.

The average first wage of all 143 was \$13.40 a week.

Who will manage the nation's largest businesses in 1974? Exactly the same kind of men.

Then, as now, they will be leaders with courage, ambition and initiative enough to come up the business ladder, rung by rung.

Neither the men and women in industry nor the money in industry can be effective without good management. Nothing else is so important to the workers' welfare, the investors' welfare, or the public welfare.

There Never Was A Ride Like This!

LEARN for Yourself

No Car Designed Before the War Can Even Compete with the Ride You Get in a KAISER or a FRAZER

You be the judge! You have ridden in a lot of cars and you know how they ride. Now, get in a KAISER or a FRAZER and compare the ride! You're in for a pleasant surprise. For all your present standards of riding quality will become obsolete before you have gone a mile! You will agree that no car designed before the war can even compete with the KAISER or the FRAZER—for there never was a ride like this! You drift over rough roads. You glide along the pavement. It's a horizontal ride—with the up and down travel removed.

It's not just a matter of spring design and shock absorber. Power, brakes, and ease of steering, all play a part. So do superior roominess, extraordinary visibility and extra-low center of gravity—with all the weight of passengers between the wheels! But what's the use of telling you how it's done! You are interested in the ride. That can't be described. It must be experienced. So, before you buy any car, learn for yourself—compare the ride!

POT-SHOTS FROM MCCAULEY

BY GEO DARDEN

A meeting will begin at the McCauley Church of Christ the third Sunday in this month and run on through the fourth Sunday. Howard Peacock from Graham will do

the preaching. The public is cordially invited.

Lt. and Mrs. W. H. Pickron Jr. from Shreveport, Louisiana visited parents at McCauley and Hamlin last week-end.

Howard Miles from Lamesa was a week-end visitor with relatives in McCauley.

Rufus Herbst was confined to a hospital in Rotan a few days last week for treatment.

Mr. and Mrs. Jack Johnson and children visited with her parents, Mr. and Mrs. J. T. Rhoten, over the holidays.

A number of McCauley citizens attended the Texas Cowboy Reunion at Stamford held last week.

Mrs. Ted Abbott who underwent major surgery at a Stamford hospi-

tal last week, was seriously ill at our last report.

Mr. Beech Jones and Wayne Webb are the proud owners of water well in their back yards in McCauley. Plenty of water was found at 40 feet.

The new lighted softball field on the McCauley School grounds is getting a zoo. play about three nights each week. See Wayne Webb for matched games.

Style Cleaners of Hamlin will pick up and deliver each Monday and Thursday and you leave your clothes at Ben Short's Grocery.

Mr. and Mrs. Leldon Clifton from Abilene visited with her parents, Mr. and Mrs. F. L. Rector, the Fourth.

If interested in a "good fish" story ask Mrs. Luther Rector who had experience with "fish steaks" in an Abilene cafe a few days ago.

The great "Russian Bear" is still acting up, thinking we suppose that Uncle Sam will back down before fighting another war. Our old Uncle just takes so much before the bugle sounds. It would be "folly" for the United States to be caught unprepared.

A lot of folks were killed over the holidays in the United States and in most all uncalled for. Traffic rules and regulations should be observed by all means to prevent deaths of innocent people. If you drink, don't drive, and if you are "hair brained" stay in your front yard.

All over the United States real estate has reached an all-time high, but you can still get town property in McCauley worth the money. Ask this scribe if you are looking for a place to settle down, in a good community, a good school and near a farm to market road that won't quit.

Mr. and Mrs. O. T. Hennington, Miss Ruby and Roy Hennington attended the funeral services of an aunt in Ellis County last Wednesday.

Square dancing is taking the day in these parts and teams from most of the communities are in training.

See in the papers where a cowboy from Gail sold his little mare (a cuttin' horse) for the sum of \$1,650. All of which proves that it

pays to train your pony.

Mr. and Mrs. W. H. Pickron of Hamlin, Lt. and Mrs. Bill Pickron of Shreveport, Louisiana and George Darden family spent the Fourth at the Sweetwater J. -k.

Mr. and Mrs. L. E. Rector and daughter attended the Rodeo at Stamford the Fourth.

Mr. and Mrs. Levi McCollum and daughter Mary Ann attended the Stamford Rodeo on the night of the 3rd.

Mr. Louis Bailey deposits \$5 to McCauley Cemetery fund. Other deposits last week totaled \$5. Let's keep McCauley Cemetery in good shape with your donations.

Mrs. Joe Miers underwent surgery in a hospital at Rotan last Thursday night.

So far the Republican majority has shown no intention of dealing honestly with the labor question. Dual purpose of the Republicans is to embalm labor and embarrass the President, not to enact legislation of benefit to the country. The Republican senators and congressmen are 92 per cent against labor.

Mrs. Bob Lewis and daughter have returned to Alice after several weeks visit with her parents, Mr. and Mrs. L. R. Maberry. Mr. Lewis is employed with an oil company at Alice.

The latest news on the well that was drilled on the John Maberry farm south of town is a "duster."

The ladies of the McCauley Baptist Church sponsored a bridal shower for Mrs. Henry Graham at the church one day last week. Mrs. Graham is the former Betty Kean of this city.

Lester Scott of Plasterco was seriously injured when his arm was caught in a belt at the Celotex plant last week. His arm was badly mangled and he is in a hospital in Rotan.

By the time basketball season rolls around the new and modern gymnasium which will be known as the Ed Mason Gym, will be ready for gobs and oodles of basketball games. And we like 'em.

Mr. and Mrs. Monroe Hopkins from down Austin way were visiting friends and relatives here last Saturday. They subscribed for The Herald too.

Mrs. Nute Stevens is seriously ill in a hospital in Abilene and underwent major surgery a few days ago. Her parents, Mr. and Mrs. D. M. Maberry, are at her bedside.

Mrs. Alice Hopkins, a former resident of McCauley, visited relatives here last week-end. She now makes her home in Oplin.

Gin employees will be ready to begin repair work on the McCauley gin next week and will be ready to gin your cotton when you are ready.

Harold M. Cozart, son of Mrs. Rufus Herbst of McCauley, is enrolled summer school at Hardin-Simmons University, according to Mrs. J. A. Beard, registrar. He will finish his first six weeks term on Friday July 11 and registration for the second six weeks will start on the following day. Cozart is one of the 1,095 persons registered, a record enrollment for Hardin-Simmons summer school.

A Pat-Shot—Idle gossip causes more regrets among neighbors than anything else. For ever "buzzing"

and making mountains out of molehills will tear a community to pieces. To prove our point, we quote a little scripture: And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not.—I Timothy 5:13.
